## LINEA + DENIMCRATIC

Lorenzo Lorenzetti is a multidisciplinary artist with a primary focus in sculpture. His studio is based within a woodshop in Inglewood where he works alongside master carpenters. Lorenzo developed the Linea Lounge series by combining his sculptural vision with the artisans' expertise in upholstery and furniture fabrication. Lorenzo has partnered with Los Angeles-based denim designer Gabriella Meyer to create the newest Linea Lounge Sofa. Gabriella is the founder of Denimcratic, a contemporary streetwear brand. Gabriella's wash development and color gradation result in a seamless design of this one-of-a-kind piece.
